

AD ASIA Construction Ltd.

ARCHITECTURE, ENGINEERING AND CONSTRUCTION

Company Profile

Version 2014

COMPANY OVERVIEW

AD ASIA Construction Co., Ltd. is one of the largest heavy architecture and civil engineering contractors in the industry. Our firm has built a solid reputation for market excellence, drawing on a rich history and a strong heritage of quality, stability and innovative leadership in the marketplace for over 30 years.

The company is established to support the business expansion of AD ASIA Manufacturers Co., Ltd., a leading manufacturer of interior fit-out for the construction industry in Thailand. Our firm possesses the strong financial credentials and stability to build long-term partnerships with our customers and offer them a full range of diversified construction services, while offering a safe and progressive work environment.

Vision

- *To be the leading provider of construction services in Thailand and South East Asia*

Mission

- *To construct all projects to high standard value with effective budget and timely manners.*

THE ROAD TO SUCCESS

We have been providing our clients with reliable solutions to their most complex construction challenges. Currently, we are recognized as a leader in the industry for our strength in traditional construction methods and for our creative, fresh approach to cutting-edge technologies and delivery systems.

Our expertise spans the construction industry spectrum, from smaller renovations to multi-million dollar projects. We specialize in industrial building, as well as electrical and civil engineering projects.

Our success is driven by more than building some of the most advanced facilities for our corporate, institutional and individual clients. More and more of our clients are turning to us for our distinctive ability to implement innovative project management techniques.

Our team of construction professionals offers a single-source solution for all of your construction-related needs. We have the experience and personnel to provide the highest quality construction on schedule and within budget. Our network “Affiliated Companies” enables us to offer our clients the dual advantages of a strong constructing advice, budget management .
